

The American Mideast Leadership Network

and

Dr. Ridwan Shabsigh

Director of the Division of Urology, Maimonides Medical Center Professor of Clinical Urology,
Columbia University

Are pleased to announce an exciting seminar exclusively for Arab- American professionals!

The Magic of Communication

Effective communication is a valuable life skill. Communication and presentation skills in spoken, written, power point and other media forms are the necessary components of professional success and career advancement. Contrary to the common belief that such skills are born talents, they are, in fact, skills that may be successfully developed.

AMLN is offering a one-day intensive instruction and training course on the art of communication and presentation. This course aims to make you an effective speaker, and to enable you to develop effective preparation, presentation, and evaluation skills. It will teach you the skills you need to successfully present in your profession. Need more of an incentive? Its Free!

Date: Saturday, February 6, 2010
